

Application Form for Connection of Distributed Generation ($\leq 10\text{kW}$)

Please fill**	kilo Watt (kW)
Solar Panels Total capacity	
Inverter Rating Capacity	
Battery Capacity	

Please complete the following information and forward to Wellington Electricity

Site Details

Site Address**	
Electricity Retailer	
Customer ICP Number** <i>(Found on your electricity account)</i>	
Proposed Date of Installation	
New Installation / Capacity Change	New / Capacity Change / Replacement*

Contact Details

Distributed generator owner	
Contact Person	
Contact Telephone Number	Daytime: Mobile:

Installer Details

Name of Electrician & Company	
License Number	
Address	
Telephone Number	
E-mail Address

Application form for Connection of Distributed Generation ($\leq 10\text{kW}$)

Distributed Generator Details	
Type of distributed generator (photovoltaic, wind, diesel, etc.)	
Inverter manufacturer and model Type**	
Inverter max. apparent power output to the grid (Watt)**	
Does the inverter comply with AS/NZ 4777.2.2020?	Yes / No*
Generator Capacity (Watt)** (e.g. total capacity of installed PV panels, hydro generators, diesel generators, etc.)	
Number of phases	1 / 2 / 3*
Are there any export meters?	Yes / No*
Location of distributed generator within the installation	
Location of multi-pole isolator	
Is there battery/energy storage?**	Yes / No*
If yes, what is the make and model?**	
If yes, what is the capacity in kWh (<i>found in the product datasheet</i>)?**	
If yes, what is the power in kW (<i>found in the product datasheet</i>)?**	

*(circle the one that applies) **(Required)

Please attach a Certificate of Suitability to show that the inverter model complies with standard AS/NZ 4777.2:2020 (If applicable, please provide any other technical information about the inverter or fuel source with the application as well).

*If your inverter does **NOT** have a Certificate of Suitability or **NOT** comply with the standard AS/NZS 4777.2:2020, it will have to pass through an approval process and therefore your application will take longer to process.*
